Appendix: Motion to Support the Climate and Ecological Emergency Bill

Preamble

The Climate and Ecological Emergency Bill is a private members' bill with cross-party support of more than 110 MPs and a growing number of local councils around the country.

It would enshrine in law a commitment to deliver policy and action in line with the latest science - and with our Government's own ambitions. It is the only proposed legislation which addresses the interconnected crises in climate and nature, with annual legally binding targets to keep us on track.

This Council resolves to:

- I. Support the Climate and Ecological Emergency Bill;
- II. Write to our local MP urging them to support the Bill and
- III. Notify the Oxfordshire CEE Bill Alliance (Zero Hour Oxfordshire) of this motion by signing the Open Letter: <https://www.cebillauxon.co.uk>
